1. Welcome

2. Approval of the Agenda

3. Spring 2022 Plenary Debrief

\$7,662.62 Funds raised through Area Competition

Kudos to the directors and ASCCC team for putting together the competition

Ideas for future Area Competitions:

- Start advertisements early, perhaps before Area Meetings to ramp up competition and engage more local leaders that may not be in attendance at plenary
- Have a presence at Curriculum Institute to begin advertising what the Foundation does

Karen will bring ZipIts during May Exec meeting. KM will determine how to best use the ZipIts for future foundation efforts.

4. Other Recommendations and Ideas

- Van Rider interested and eligible to continue for foundation director for next year
- Area Competition information to come before Area meeting or Plenary Session
- Pre-start to Area competition (during registration for plenary session in Eventbrite)
- Foundation Corner (in newsletter)
- Testimonials from award winners
- Advertise the tax write-offs (maybe for Giving Tuesday in fall)

5. Next Meeting Date – Doodle poll will be sent out for May meeting
